

Counselor in Training Program

Our Counselor in Training (CIT) Program is an educational program for high school students who want to advance their theatrical education through work with professionally trained performing artists and designers. CITs will have the opportunity to receive their education through hands-on work as an assistant throughout the camp day as well as workshops and masterclasses in late afternoon/early evening sessions. CITs will work from 8:45 am - 3:45 pm in weekly sessions, being compensated through free educational workshops/masterclasses as well as a small stipend for each week of work. We want to bring local opportunities to high school performing arts students in the area.

Our program gives high school students a chance to take on a leadership position in a performing arts setting and is a great way to build resumes, both theatrical and professional. Our CIT Program is a great way for young men and women to make contacts in the theater community of the Northern Virginia area, and potentially beyond.

If you have any specific questions about the CIT Program please feel free to contact our Summer Camp Director. If you are interested in applying for a CIT position, please complete the attached application and send it via email to the Camp Director or drop it off at the theater. Applications will be accepted until March 31, 2017.

Thank you for your interest,

Michael Page
