Join us for Tony-award nominated musical farce that's more fun and festive than a trip to the Renaissance Faire! Set in 1595, the story follows the Bottom brothers, Nick and Nigel, who struggle to find success in the theatrical world as they compete with the wild popularity of their rock star contemporary, William Shakespeare. With its heart on its ruffled sleeve and sequins in its soul, *Something Rotten!* features large song and dance numbers and a wacky cast of over-the-top characters.

## JUL. 23 – AUG. 13, 2022

*Something Rotten!* is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. [www.MTIShows.com](http://www.MTIShows.com)

Murder, romance AND comedy! The three best ingredients for a fun suspense-filled evening of theatre! This fast-moving, highly tense whodunit treats the audience to a remote mansion, a sleazy blackmailer, a trench coat clad detective and even a dark and stormy night. A once-wealthy mother and son struggle to keep up appearances at the old mansion but when a maid is murdered, everyone becomes a suspect. Tallulah Bankhead toured in the original production.

CHRISTMAS  
CAROL**

and **Jack Ludwig**

LTA rings in the holiday season with a new take on the classic tale by Charles Dickens. Tiny Tim longs to have his father home on Christmas day, but Ebenezer Scrooge won't give Bob Cratchit the day off. There must be a way to change Scrooge's mind – and perhaps a ghost or two will set Scrooge right?! Written by Broadway's award-winning Ken Ludwig and his son, Jack, get ready for the wildest Christmas ride you've ever had!

The story follows Deloris Van Cartier, who after witnessing a murder, is put in protective custody in a convent. While disguised as a nun, she helps her fellow sisters find their voices as she rediscovers her own. Filled with powerful gospel music, outrageous dancing, and a truly moving story, *Sister Act* will leave you breathless. Features original music by Tony and Oscar Winner, Alan Menken, this uplifting musical was nominated for five Tony Awards, including Best Musical.

# LETTICE AND LOVAGE

written by **Peter Shaffer**  
produced by **Carol Strachan** and **Alan Wray**  
directed by **Juli Tarabek Blacker**

If you are a fan of witty British humor, then this is the perfect play for you! This comedy satire, written by the author of *Equus* and *Amadeus*, and written specifically for Dame Maggie Smith, centers around an overly exuberant tour guide who loves to embellish the history behind an English country house. Ultimately she is fired, but she refuses to go without a fight. Watch as Lettice and Lovage engage in a battle to the death of all that is sacred to the Empire and to the crown.

and **John Reich**

One queen will win; one must fall. This highly-charged political drama is about two mighty royals – Mary Stuart and Queen Elizabeth I – and the power play between two of history's greatest monarchs. With inspiring, powerful characters, and a theme grounded in the struggle between religion, womanhood and statesmanship, this play mirrors and explores many of the same issues present today.
